Community and Family Health Services Division	4	10
Protective Health Services Division	4	12

Executive Leadership

- State and Federal Policy
- Office of Accountability Systems
 - Office of Accountability Systems - Title 63 of Oklahoma Statutes and in accordance with OSDH AP 1-30
- Office of General Counsel
 - Department of Health Statutes
 - Legal Forms – open record requests, internal email and internet access
 - Legal Opinion

Senior Deputy Commissioner Program Area - Overview

- **Center for the Advancement of Wellness**
 - Tobacco
 - Obesity
 - Chronic Disease
 - Certified Healthy Oklahoma
 - Evaluation and Surveillance
- **Center for Health Innovation and Effectiveness**
 - Health Care Delivery
 - Health Care Payment
 - Health Care Access
 - Health Provider Shortage Designation
 - Project Management for Population Health Improvement
- **Center for Health Statistics**
 - Data Acquisition
 - Quality Assurance
 - Data Analytics and Dissemination
 - Vital Statistics
- **Partnerships for Health Improvement**
 - Office of Tribal Liaison
 - Office of Minority Health
 - Office of Performance Management
 - Oklahoma Health Improvement Plan (OHIP)
 - Community Health Improvement Plan (CHIP)
- **Chief Operating Officer**
 - Human Resources

- Office of Communications
- Building Management
- Financial Services
- **Public Health Informatics**
 - OMES/OSDH Partnership
 - Health Information Exchange (HIE)
 - Health-e Oklahoma

Office of State Epidemiology – Program Area Overview

- **Acute Disease**
 - Public Health Investigation and Disease Detection of Oklahoma (PHIDDO)
 - Oklahoma Health Alert Network (OK-HAN)
 - Disease surveillance
 - Outbreak investigations
 - Disease education and information
 - Tuberculosis Program
- **Emergency Preparedness and Response**
 - Public Health Emergency Preparedness
 - HHS Hospital Preparedness Program
 - Mass Immunizations/Prophylaxis Strategy (MIPS) and Strategic National Stockpile program
 - Local emergency response planning and preparation
 - Catastrophic Health Emergency Task Force
 - Regional Medical Response System
 - Incident Command System and National Incident Management System training
 - Sponsor of Oklahoma Medical Reserve Corps emergency response volunteers
- **HIV/STD**
 - Prevention and Intervention
 - Care Delivery
 - Surveillance and Analysis
- **Immunization**
 - Technical Guidance and Education
 - OK State Immunization information System
 - Vaccines for Children Program
 - Immunization Compliance Monitoring
 - Public Awareness
- **Office of Scientific and Research Integrity**
 - Internal Grant and Publication review
 - Research Integrity
 - Institutional Review Board (IRB)

- **Public Health Laboratory**
 - Collection and testing
 - Newborn Screening
 - Training and Consultation

Community and Family Health Service Division – Program Area Overview

- **Acute Disease**
 - Public Health Investigation and Disease Detection of Oklahoma (PHIDDO)
- **Breastfeeding Information and Support**
- **Child Guidance**
- **Dental Health**
- **Family Support and Prevention Service**
 - Strengthening Families
 - Children First
 - Maternal, Infant and Early Childhood Home Visitation (MIECHV)
 - Parenteral
 - Alternatives to Abortions
- **Maternal and Child Health Service**
 - Child and Adolescent Health
 - MCH Assessment
 - Family Planning
- **Office of Nursing Service**
- **Screening and Special Services**
- **SoonerStart**
- **Women Infants and Children Nutrition Program (WIC)**

Protective Health Services Division

- **Injury Prevention Service**
 - Child Passenger Safety
 - Falls Prevention
 - Drug Overdose
 - Concussion Recognition and Response
 - Traumatic Brain Injury
 - Graduated Driver Licensing for teen drivers

- All-Terrain Vehicle Safety
- Sexual Violence Prevention
- Oklahoma Violent Death Reporting System
- Intimate Partner Violence
- Burn Injury Prevention
- **Jail Inspection Division**
 - Title 74 Inspections
- **Long-term Care**
 - Licensure Survey
 - Investigations
 - Provider Training
- **Medical Facilities Service**
 - Facility Service Division
 - Home Services Division
 - Complaint Division
- **Consumer Health Service**
 - Bedding
 - Body Piercing and Tattooing
 - Consumer Product Safety
 - Drugs, Cosmetics and Medical Devices
 - Lodging License
 - Medical Micropigmentation Certification
 - Public Bathing Places
 - Food Service Inspection and Certification
 - Manufactured food inspection and regulation
 - X-Ray diagnostic testing and permits
 - Hearing Aid Dealer and Fitter Licensing
 - Genetic Counselor Licensing
 - Professional Sanitarian & Environmental Specialist Registration Program
- **Emergency Systems**
 - Emergency Medical Services
 - Trauma
- **Health Resources Development Service**
 - Nurse Aide Registry
 - Home Care Administrator Registry
 - Managed Care Systems
 - Oklahoma Screening and Registry Employee Evaluation Network (OKSCREEN)
 - Uniform Credentialing Application
- **Quality Improvement and Evaluation Service (QIES)**
 - National QualityNet System
 - Data collection and analysis

- Minimum Data Set (MDS) for health care facilities
- Outcome and Assessment Information Set (OASIS)

Senior Deputy Commissioner Program Area – Project Details

➤ **Center for the Advancement of Wellness**

- Tobacco
 - Prevention - Youth Access to tobacco, price point policy, Tobacco 21, SWAT, Healthy Living, Retail Store
 - Cessation - OK Tobacco Helpline and Health Systems Change, Clean Indoor Air Statewide Law, Breathe Easy, Healthy Living Program

➤ **Center for Health Statistics**

- Vital Stats: : births, deaths, and induced termination of pregnancies (ITOP); Hospital and Ambulatory Surgery Centers (ACS): inpatient discharges and outpatient surgeries; Health Surveys: Behavioral Risk Factor Surveillance System (BRFSS); and Health Registries cancer
- Health Care Information – Oklahoma Health Care Information System Act
- OK2Share
- Call Center
- Advance Directives - Title 63 of the Oklahoma Statutes, Section 3101.1 *et seq.*
- Cancer Registry – Operations

- **Partnerships for Health Improvement**
 - **Office of Tribal Liaison**
 - Data Community of Practice
 - Intertribal Public Health Board
 - Tribal Partnerships
 - **Office of Minority Health**
 - Interpretation and translation services
 - **Office of Performance Management**
 - Oklahoma Health Improvement Plan (OHIP) - OHIP 2020 (large committee and workgroup administration)
 - Community Health Improvement Plan (CHIP)
 - LSTAT/ StateSTAT
 - Accreditation

- **Chief Operating Officer**
 - **Human Resources**
 - Benefits
 - Workforce Staffing
 - Employee Assistance Program
 - Administrative Procedures and Grievance Resolution Services
 - Recruitment and retention
 - Workforce Development and Planning – LEAP, mandatory training, Onboarding, workforce planning, and development
 - **Office of Communications**
 - Media relations
 - Electronic communications
 - Publications
 - Agency Correspondance
 - **Building Management**
 - Copy Shop
 - Motor Pool
 - Shipping and Receiving
 - Building Infrastructure/Maintenance

- Office of Security and Safety - Occupational Health and Risk Management
- Inventory
- Records Retention
- Telephones
- **Financial Services**
 - Budget and Funding
 - Grants and Reporting
 - Health Insurance Billing
 - Payment and Reconciliation
 - Procurement
 - Revenue and Receipting
- **Public Health Informatics**
 - *Interoperable Public Health Information System (IPHIS) send and receive data through health information exchanges and for analytic purposes, both internal to OSDH systems and with external health and health information organizations*
 - Master Patient Index (eMPI)
 - OMES/OSDH Partnership
 - Health Information Exchange (HIE)
 - Health-e Oklahoma

Office of State Epidemiology – Project Details

- **Acute Disease** - *Title 63 Oklahoma Statute (O.S.) 1981 §1-503 mandates the reporting of cases of diseases and conditions by Oklahoma healthcare providers and laboratories to the OSDH*
 - Public Health Investigation and Disease Detection of Oklahoma (PHIDDO)
 - Oklahoma Health Alert Network (OK-HAN)
 - Disease surveillance
 - Outbreak investigations
 - Disease education and information
 - Tuberculosis Program
- **Emergency Preparedness and Response**
 - Manage CDC Public Health Emergency Preparedness Grant
 - Manage HHS Hospital Preparedness Program Grant
 - Assist in coordination of the Mass Immunizations/Prophylaxis Strategy (MIPS) and Strategic National Stockpile program
 - Assist in local emergency response planning and preparation
 - Catastrophic Health Emergency Task Force membership– develop CHE Plan ****O.S. 63:6101 Catastrophic Health Emergency Powers Act – names OSDH Primary Responsible Agency***
 - Regional Medical Response System – develop and coordinate Health Care Coalition Partners across the state for regional emergency medical response; OK Commissioner of Health is responsible for the coordination of all state health and medical services in response to man-made or natural emergencies

- Provide resources for Incident Command System and National Incident Management System training
- Sponsor of Oklahoma Medical Reserve Corps emergency response volunteers
- **HIV/STD**
 - **Prevention and Intervention**
 - Provides training for people interested in HIV testing (Counseling, Testing, Referral and Linkage To Care)
 - Provides training for HIV and/or STD education;
 - Promotes HIV and/or STD awareness and risk reduction
 - Monitors contracts between OSDH and Community Based Organizations providing HIV/STD prevention and testing services to the public
 - Provides Disease Intervention Services (DIS) for people who have tested positive for HIV/STDs, including linkage to care
 - Works closely with the community to provide support for ongoing efforts related to HIV/STD prevention and testing
 - **Care Delivery**
 - Provides programs and support related to:
 - Care and treatment services for people living with HIV/AIDS, also known as Ryan White part B program, and
 - Viral hepatitis, including adult Hepatitis C and perinatal Hepatitis B
 - Insurance enrollment under the Affordable Care Act
 - **Surveillance and Analysis**
 - Collects, consolidates, and evaluates HIV/STD and Hepatitis C data and reports required by law for Oklahoma residents
 - Provides data, within HIV/STD Service, to the Prevention/Intervention and Care Delivery areas for program planning and services
 - Provides training to health care providers, laboratories, and the general public on HIV/STD and Hepatitis C reporting requirements, as well as the importance of reporting these conditions
 - Provides training to nontraditional and county health department HIV/STD testing sites on the necessary data entry
 - Distributes data and reports to address the diseases and define changes and trends in health factors related to HIV/STDs and Hepatitis C
- **Immunization**
 - Answer questions about vaccines and the diseases they prevent
 - Operate the Oklahoma State Immunization Information System (OSIIS)
 - Coordinate the purchase and distribution of vaccines to over 650 public and private clinics enrolled in the Vaccines for Children Program statewide
 - Monitor immunization compliance in childcare facilities and schools as required by state laws
 - Conduct quality assurance monitoring visits at all Vaccines for Children clinics in Oklahoma to ensure the vaccine is accounted for and stored and administered properly
 - Provide immunization consultation and training to immunization providers, schools, and childcare facilities throughout Oklahoma
 - Work with other state agencies such as the Department of Human Services, the Oklahoma Health Care Authority, and the Department of Education to raise awareness

about the value of immunizations and help to increase immunization levels among Oklahomans

- **Office of Scientific and Research Integrity** - Responsible to conduct of research and protection of Public Health Service funding

 - Anatomical Gifts, Tissue Banks and Eye Banks
 - Birthing Centers
 - Clinical Laboratory Improvement Amendments (CLIA)
 - Community Mental Health Centers
 - Comprehensive Outpatient Rehabilitation Facilities
 - Hospitals: General Medical Surgical Hospitals; Critical Access Hospitals and Specialized Hospitals: Abortion Facilities, Psychiatric, Rehabilitation
 - CMS PSI Infection Control Worksheet; CMS PSI Discharge Planning Worksheet; CMS PSI QAPI Worksheet
 - Outpatient Therapy, Physical Therapy/Speech Pathologists
 - Portable X-Ray
 - Rural Health Clinics
 - Workplace Drug & Alcohol Testing Facilities
 - **Home Services Division:**
 - End Stage Renal Disease
 - Home Care Agencies
 - Hospice
 - **Complaint Division**
- **Consumer Health Service**
 - Bedding permits – manufacturing and germicidal (Law: OS Title 63 §1-1001.1; Rules: OAC 310:215)
 - Body piercing and tattooing (Law: OS 21-842.3; Rules: OAC 310:233)
 - artist license
 - apprentice license
 - establishment license
 - Consumer Product Safety – product complaints; recalls
 - Drugs, Cosmetics, and Medical Devices – ensure consumer safety and protect from fraud
 - Lodging License
 - OAC 310:285 Lodging Establishment Regulations
 - OAC 310: 315 Public Bathing Place Facility Standards
 - OAC 310:320 Public Bathing Place Operations
 - Statute O.S. Title 63 § 1-1201
 - Medical Micropigmentation Certification
 - Oklahoma Statute O.S. 63-1-1450
 - Rules & Regulations (O.A.C. 310:234)
 - Public Bathing Places – operating licensure and incident/complaint reporting

- Oklahoma Statute O.S. 63-1-1013
 - Facility Standards - Rules & Regulations (O.A.C. 310:315)
 - Operation Standards - Rules & Regulations (O.A.C. 310:320)
- Food Service Inspection and Certification (OAC 310:250)
 - Oklahoma Food Code (O.A.C. 310:257)
 - Oklahoma Statute O.S. 63 § 1-1101 et seq.
 - O.S. 63 § 1-1118
- Manufactured food inspection and regulation
 - OAC 310: 225 Bottled Drinking Water Regulations
 - OAC 310: 257 Food Service Establishment regulations
 - OAC 310: 260 Good Manufacturing Practice Regulations
 - OAC 310: 390 Water Vending Machine Regulations
 - Oklahoma Statute O.S. 63 § 1-1101 et seq.
 - O.S. 63 § 1-1118
 - Fees (O.A.C. 310:250)
- X-Ray diagnostic testing and permits
 - Oklahoma X-Ray Regulations (OAC 310:281)
- Hearing Aid Dealer and Fitter Licensing
 - Act (O.A.C. §63-1-1750)
 - Rules & Regulations (O.A.C. 310:265)
- Genetic Counselor Licensing
 - Rules and Regulations (O.A.C. 310:406)
 - Act (Statute O.S. §1-561 - 1-570)
- Professional Sanitarian & Environmental Specialist Registration Program
 - Rules and Regulations (O.A.C. 310:345)
 - Act (Statute O.S. §1150.1 - 1150.13)
- **Quality Improvement and Evaluation Service (QIES)**
 - QIES is responsible for coordinating activities and database functions that fall under the umbrella of the national QualityNet System developed by the Centers for Medicare and Medicaid Services (CMS).
 - Data collected from nursing homes, skilled nursing units, home health agencies, inpatient rehabilitation facilities, and hospitals with swing beds are used by healthcare professionals to assist in the development of individual patient care plans and as a resource for quality improvement efforts within the healthcare setting.
 - Minimum Data Set (MDS): Personnel in the MDS program develop and implement the delivery of health care information and provide consultative assistance regarding the MDS process to health care facilities.
 - Outcome and Assessment Information Set (OASIS): Staff is charged with developing and implementing the delivery of health care information, providing consultative assistance regarding the OASIS process to home health agencies and maintaining the OASIS state repository for upload to the national CMS repository.
